### About This Game

After an catastrophic explosion you and your cargo ship become stuck on a foreign planet. Luckily you have Wordsworth, a artificially intelligent survival assistant who will guide your survival and keep you company while you wait for the rescue ship to arrive.

However, keeping yourself alive will be the easiest part of your stay. Ravaging hallucinations of your fear and stress threaten you at every turn. In order to see your life as you knew it again you will have to conquer the demons of your mind.

### GAMEPLAY

Contingency's gameplay mixes exploration platforming, fast paced combat and frequent weapon strategy decisions. You will discover a number of enemies all with different strengths and weaknesses. Weapon upgrades will allow you to best conquer the different enemy challenges you encounter. Suit upgrades will let you navigate terrain differently and complete new challenges.

- Encounter different enemies and challenges with every run
- Choose weapon upgrades frequently to beat challenges

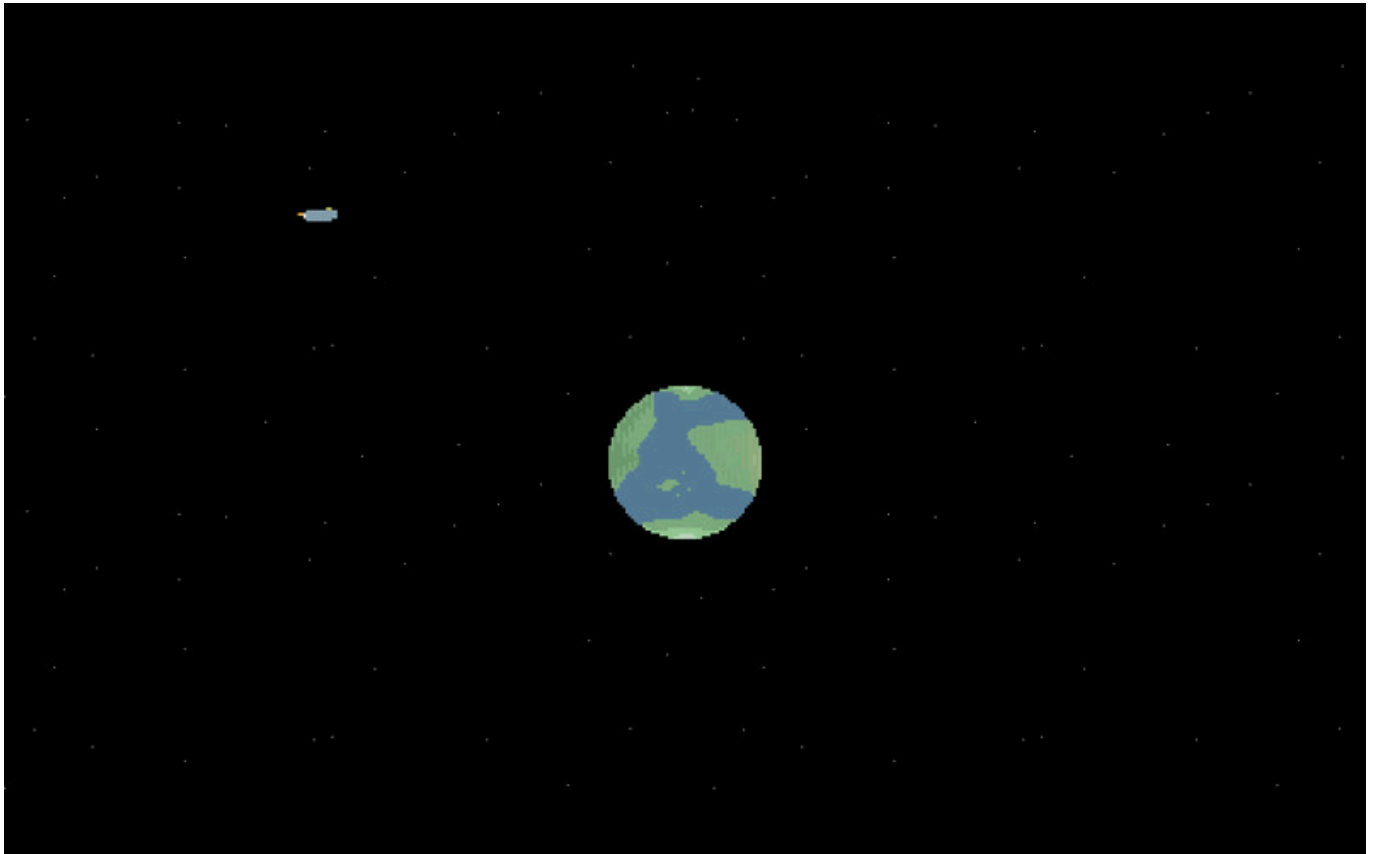

- 
- Discover many animals and collect unique items
  - Discover a strange narrative and learn why the mysterious shadow man is following you
  - Get to know Wordsworth and his terrible sense of humor
